

## Effigy Mounds National Monument Vegetation Map Class for Chinquapin Oak Bluff Woodland

The map class "[Chinquapin Oak Bluff Woodland](#)" is composed of the following vegetation associations, each described separately:

- [red-cedar phase](#)
- [hillside prairie phase](#)

This map class is split into two map class phases (red-cedar and hillside prairie phases). With these woodlands typically small in area, we mapped each map class phase to 0.1 ha MMU.
